

ALL-ENCOMPASSING GLOBAL CONSULT LIMITED

All-Encompassing for an All Encompassed Success as the Only Outcome

1 | Introduction

All-Encompassing Global Consult Limited (AEGC) is a forward-thinking consultancy positioned at the intersection of business excellence, government collaboration, and private-sector impact.

Founded with a vision to redefine consulting through **strategic inclusivity**, **institutional empowerment**, and **sustainable growth**, AEGC exists to bridge the gap between potential and realization — turning possibilities into measurable, all-encompassing success.

We provide solutions that align profitability with purpose.

Our work transcends borders, empowering institutions, governments, and investors to achieve exponential transformation built on intelligence, integrity, and impact.

Vision:

To be the most all-encompassing global consulting institution that transforms potential into power for an all encompassed success.

Mission:

To deliver end-to-end consulting, strategic advisory, and developmental solutions that empower public and private organizations to achieve sustainable, profitable, and people-centric outcomes.

Philosophy:

Every initiative, engagement, and partnership must deliver *an all-encompassing outcome for an all encompassed success*.

2 | Our Core Services

A. Strategic Consulting & Institutional Development

We design frameworks that strengthen organizational foundations, improve governance, and create pathways for long-term profitability and sustainability.

B. Public–Private Partnership (PPP) & Policy Advisory

AEGC bridges government aspirations with private-sector execution. We craft policies, frameworks, and operational blueprints that foster national growth, job creation, and global competitiveness.

C. Talent Incubation Hub (TIH)

The TIH identifies and nurtures top graduates (CGPA 4.0 and above) to serve in high-impact projects across B2B, PPP, and national initiatives. It transforms academic excellence into real-world leadership — ensuring talent, innovation, and transformation converge seamlessly.

D. Technology & Innovation Enablement

From digital transformation to infrastructure security, AEGC deploys modern systems that future-proof institutions and ensure resilience in a fast-evolving digital economy.

E. Sustainability & CSR Advisory

We design sustainability frameworks that align with the UN SDGs — embedding environmental, social, and governance (ESG) principles into strategy, policy, and practice.

F. Financial & Business Continuity Advisory

AEGC offers profitability roadmaps, business continuity frameworks, disaster recovery plans, and regulatory compliance structures that safeguard enterprise stability and growth.

3 | Our Strategic Edge

- **All-Encompassing Framework:** A proprietary consulting philosophy that ensures every project integrates people, process, profit, and purpose.
- **Global Network:** Partnerships with development institutions, financial leaders, and philanthropic organizations for global reach.
- **Institutional Depth:** Deep experience in regulatory, banking, and governmental transformation programs.
- **Sustainability Integration:** Every engagement embeds ESG outcomes for measurable social and environmental impact.
- **Exponential Scalability:** Our systems are built for continuous improvement and replicable success across sectors and geographies.

4 | Leadership & Governance

Jesugbamigbe Daniel Ibunkunoluwa Fadipe

Chief Executive Officer & Managing Partner

A transformational leader with global banking, regulatory, and consulting experience. Daniel is the architect of AEGC's *all-encompassing* philosophy, ensuring every engagement reflects strategic precision and sustainable impact.

Board & Strategic Advisers

AEGC's advisory and trustee network is composed of global experts across finance, systems, sustainability, innovation, and development — guiding the company toward institutional excellence.

Governance Model

Transparency | Accountability | Integrity | Impact — forming the four pillars of AEGC's operational ethos.

6 | The Talent Incubation Hub (TIH)

The Talent Incubation Hub is AEGC's flagship initiative for transformative national capacity building.

It identifies exceptional graduates, equips them with industry-specific skills, and deploys them into projects that impact policy, economy, and society.

TIH Goals:

- Bridge the gap between academic achievement and national development.
- Empower young talent to drive innovation and policy execution.
- Build a sustainable pipeline of leaders for Africa's future.
- Align with the UN SDGs and global talent transformation standards.

Revenue Model:

The TIH operates as a profit-generating social impact venture — ensuring AEGC's sustainability while advancing national development.

7 | Our Philosophy in Action

At AEGC, we believe every initiative must translate vision into tangible value. Our consulting process ensures the integration of:

- **Strategic Design** — Framing clear goals and outcomes.
- **Sustainable Execution** — Embedding systems for lasting impact.
- **Institutional Partnership** — Collaborating with governments, private institutions, and global development actors.
- **Profitability & Purpose** — Ensuring financial gain and social value coexist in harmony.

This approach delivers a sustainable cycle of transformation, growth, and impact — all anchored on AEGC's commitment to an all encompassed success.

8 | Our Sustainability Commitment

AEGC operates with a long-term vision for sustainability and global inclusion:

- **Environmental:** Integrating green principles into project design and operations.
- **Social:** Driving inclusive employment and gender equity through TIH.
- **Governance:** Promoting transparency, ethics, and accountability in every engagement.

Our Sustainability Framework is an institutional standard — guiding AEGC's consulting practice toward permanent relevance and impact.

9 | Our Clients & Partners

AEGC works with governments, development institutions, banks, universities, and philanthropic organizations to achieve shared objectives of progress and profitability. Our client relationships are built on trust, transparency, and shared vision — ensuring each collaboration creates all-encompassing value.

10 | Engage with Us

Let us build the future together.
